

MDL MANUFACTURING INDUSTRIES, INCORPORATED

- ▶ SERVICE
- ▶ PRECISION
- ▶ INNOVATION

MDL has built an excellent reputation for dependable, cost-effective components and on time delivery. Call us today to find out how MDL Manufacturing can help you get the job done...and get it done right!

▶ **4 Laser Cutting Cells with 153 Shelf Automated System**

- Complete "Lights-Out" Operation with fully automated load/unload systems
- Cuts 1.25" steel, .375" stainless steel, and .375" aluminum up to 13'
- Aluminum, Steel, Stainless Steel, Titanium, and many other materials
- Precision high-speed cutting to +/- .005"

▶ **2 Plasma Cutting Systems**

- 40' x 10' Capacity, 3" thick cutting of aluminum, steel, and stainless
- Precision high speed cutting to +/- .030"

▶ **3 CNC Machining and Boring Centers**

- 44,000 lbs Maximum Weight Capacity
- 240" x 102" Maximum Size Capacity
- Full 5-Axis Rotary Tables

▶ **12 Vertical & Horizontal CNC Machining Centers**

- 32" x 32" x 64" and 24" x 40" x 40" Maximum Capacities
- High speed machining with automated pallet shuffles for superior efficiencies
- Multi-axis surface machining for extremely complex and accurate parts
- Prototype or high production

▶ **4 CNC Turning Centers**

- Multi-spindle turning with live tooling
- Y-axis for off center machining

▶ **1 CNC Wire EDM Machine**

- 31.5" x 21.5" x 11.61" Maximum Capacity
- 4-axis capability

▶ **5 CNC Bending Machines**

- 1,100 ton bending, 1" thick x 26' long
- 8-axis high precision forming
- Robotic Press Brake

▶ **3 Robotic High Speed Welding Systems**

- Dual station high speed 6-axis welding
- Complete in-house programming and fixture design

▶ **16 Welding Stations**

- MIG / TIG Welding, AWS Certified
- Sub harmonic stress relieving

▶ **Finishing**

- Shot / Sand / Bead Blasting, 10' Blast Table
- Wet Coating (includes CARC and Specialty Coatings)
- Phosphate and Iridite

▶ **Engineering**

- Complete in-house engineering and design
- Pro-E, Pro-Manufacture, and CAD/CAM software to accept any electronic file

▶ **Inspection and Testing**

- 2 Faro Arms and 1 Faro Laser Tracker
- Brown & Sharpe and Mitutoyo Inspection Systems
- Radio Graph, Die Penetrant, and Magnetic Particle Testing

Certifications

ISO 9001:2008

ISO 14001:2004

Why Choose MDL Manufacturing?

Teamwork. We have a dedicated team working to give you the best buying experience

Highly skilled and efficient workforce

Lean Manufacturing

97.5% On Time Delivery in 2015

99.7% Customer Quality Rating in 2015

Rated Excellent in Customer Service

29 Years in Business

Financially strong with less than 10% Debt to Asset

Broad Range of Capabilities

Modern Shop with Cutting Edge Technology & MFG Innovation
